She discussed the Re-Tree Nebraska Grant that is being used to replace trees within community forests, as well as the Environmentally Adapted Trees (EAT) Grant being used to find new tree species that will grow well in our area.

**General Manager
Pat O'Brien**

Pat added the following to his written report:

- Pat mentioned the upcoming Water Symposium in Lincoln on October 19th -21st.

**Assistant Manager
Lynn Webster**

Lynn added the following to his written report:

- The next Citizen's Advisory Committee meeting will be November 9th in Chadron at Country Kitchen at 6 p.m. They will be discussing integrated modeling.
- Lynn discussed the Niobrara Compact meeting that Pat and he recently attended.
- NRD staff will begin measuring static water levels next week.
- Lynn mentioned the Erosion and Sediment Control Act Rules and Regulations noting the need for more immediate compliance to get these problems resolved. The revised rules and regulations were distributed to the directors. Potential action at the November meeting will be to vote on submitting the rules and regulations to the Natural Resources Commission for consideration at the December 12th meeting.

**Conservation Programs Coordinator
Sheri Daniels**

Sheri added the following to her written report:

- Sheri discussed the Hall of Fame Award that Jim Irwin was presented with at the NARD Annual Conference.

**Water Resources Manager
Haley Anders**

Haley had nothing to add to her written report.

**Natural Resources Coordinator
Craig Eddie**

Craig added the following to his written report:

- The forestry workshop in Norfolk went well, there was some discussion about the Emerald Ash Borer and how each NRD is choosing to handle it.
- The trees at Bessey Nursery all look very good this year. The only species we will have to shop elsewhere for is American Elm.
- The NoTill Drill has been used for over 100 acres this fall.
- Craig also mentioned that the NFS will be conducting some Ponderosa Pine test plots to figure out why survivability of bare root ponderosa pine is so low. Contact Craig or Doak if you have any land you would be willing to provide for test plot locations.

**Resources Technician
Nevin Price**

Nevin added the following to his written report:

- Nevin is looking for some test sites for the cheat grass soil inoculant.
- The crop water use reports are done for the year. He will have a final report at the Water Issues Meeting.
