## INSTRUCTIONS TO APPLICANTS

1. Fill in the information on the top half or application portion of this form. Type or print using a ball point pen.
2. Do **NOT** mark the lower half or permit portion of the form.
3. Submit the completed application form and fee to the appropriate Natural Resources District. Fees are nonrefundable.
4. The permit fee is \$75 for a new permit, \$25 for a renewal permit, and \$300 for an emergency permit. Application for a renewal permit must be received by the NRD on or before June 1 of the year following the year in which the permit was issued.

NOTICE: New and renewal permits are annual and expire on June 1 of the year following the year in which the permit was issued. An emergency permit expires 45 days after it is issued.

## REPORTING OF ACCIDENTS

Any actual or suspected accident related to the use of a chemigation system must be reported to the appropriate Natural Resources District and the Nebraska Department of Environment and Energy (NDEE) within 24 hours of its discovery. NDEE may be reached at (402) 471-2186 during normal working hours. After normal working hours contact the Nebraska State Patrol at (402) 471-4545.

When reporting an accident include all known information, such as the time of occurrence, quantity and type of chemical, location, and any corrective or cleanup action presently being taken. NDEE may request additional information and when required, will develop a plan for cleanup and recovery of contaminate. The permitholder is responsible for the actual cleanup.
